Webbox 3 - Online Daisy player

With the Webbox 3, listen to Daisy books, TV subtitles and more! The Webbox 3 is a versatile multimedia device with which you can access to different media, such as television, newspapers, magazines, your digital bookshelf, radio stations, etc.

Thanks to its simple design and spoken selection menus, the Webbox is easy to use by everyone, including novice users and seniors. An indispensable device for anyone with reading difficulties. The Webbox is available with a monthly subscription cost.

Listening reading? With the Webbox you have no need for a PC or CDs because this device gives you easy access to:

- Audio books
- Your own collection, including music, from

an SD card or USB stick (or connected CD-Drive)

- Your free Daisy books
- Spoken magazines and newspapers
- Hundreds of radio plays
- Selected websites such as Wikipedia
- Daily audio magazine Horizon

The built-in battery gives you +/- 10 hours playtime fun. This makes the compact Webbox suitable to take anywhere
